

The 2008 National Defense Strategy (NDS) was superseded by the 2010 Quadrennial Defense Review (QDR) and will not be re-written. The user should keep this in mind when studying the Doctrine--Strategy Link Lesson. The 2010 QDR may be downloaded at <http://www.defense.gov/qdr/> and is also included as a link in the *Lesson Resources* section.

-----

Specific references to the NDS within the Airpower Course are described below:

**Lesson:** Doctrine--Strategy Link

**Chapter:** Strategy Hierarchy

**Errata:** Graphical version: Disregard the words “National Defense Strategy” in the middle text box at the end of the chapter and any narration/closed caption text that mentions the NDS.

Text only version: Disregard any mention of NDS in the text description.

**Lesson:** Doctrine--Strategy Link

**Chapter:** National Defense Strategy

**Errata:** Disregard this entire chapter including narration, in both graphical and text only versions.

**Lesson:** Doctrine--Strategy Link

**Errata:** Disregard any mention of NDS in the lesson narration script.
